Directions:

1. Cut an 8-1/2" x 11" sheet of Blackberry Bliss Cardstock in half on the long side at 5-1/2". Score and fold at 4-1/4" on the long side.
2. Use the second smallest Squares Collection Framelits Dies to die-cut three squares in a row from the butterflies pattern of the Sheer Perfection Designer Vellum Stack. Or cut three 1-9/16" squares with your Stampin' Trimmer. Repeat to make three Whisper White Cardstock squares. Use SNAIL Adhesive to adhere to vellum to white squares. The white cardstock makes the dark gray butterflies prominent enough to be used as a focal point for a quick and quaint card!
3. Cut one 1-3/4" x 1-3/4" square each of Mossy Meadow, Blackberry Bliss and Hello Honey Cardstock.
4. Keeping the butterflies vellum paper in the same order before cutting so that a partial butterfly is continued onto the next square, use Stampin' Dimensionals to adhere layered butterflies to Mossy Meadow, Blackberry Bliss and Hello Honey Cardstock squares.
5. Use SNAIL Adhesive to adhere 5-1/4" x 2-1/2" diagonal lines striped pattern from Sheer Perfection Designer Vellum to 5-1/4" x 2-1/2" Whisper White Cardstock. Use SNAIL Adhesive to adhere the butterfly squares in the center.
6. Tie Blackberry Bliss Thick Baker's Twine from the In Color Accessory Pack around the front of the card into a bow covering the bottom edge of the vellum. Use SNAIL Adhesive to adhere 5-1/4" x 4" Whisper White Cardstock to inside of card.
